Education

Ph.D. 2015 Psychology (Cognitive), Kansas State University, Manhattan, KS
M.A. 2011 Psychology (Experimental), State University of New York, New Paltz, NY
B.A. 2008 Psychology, State University of New York, Plattsburgh, NY

Employment History

2020	Adjunct Lecturer	Mercy College
2018-2020	Adjunct Lecturer	Marist College
2019-2020	Lecturer	SUNY New Paltz
2012-2020	Adjunct Lecturer	SUNY Plattsburgh
2018-2019	Adjunct Lecturer	SUNY New Paltz
2015-2017	Visiting Researcher	SUNY New Paltz
2016	Visiting Assistant Professor	Dominican College
2015	Adjunct Professor	Dominican College
2015	Graduate Instructor	Kansas State University
2012-2015	Graduate Teaching Assistant	Kansas State University

Publications

Journal Articles and Book Chapters

- Brandner, J. L., **Dillon, H. M.**, Brase, G. L. (2020). Convergent evidence for a theory of rapid, automatic, and accurate sex ratio tracking. *Acta Psychologica*, 210, 103161.
- Carmen, R., **Dillon, H.** (2019) Perceiving Sexual Intent. In: Shackelford T., Weekes-Shackelford V. (Ed.) *Encyclopedia of Evolutionary Psychological Science*, Springer: Cham
- Carmen, R., **Dillon, H.** (2019). Humor Production. In: Shackelford T., Weekes-Shackelford V. (Ed.) *Encyclopedia of Evolutionary Psychological Science*, Springer: Cham
- Dillon, H. M.**, Adair, L. E., & Brase, G. L. (2015). Operational sex ratio and female competition: When there aren't enough fish in the sea. In Fisher, M. (Ed.), *Oxford Handbook of Women and Competition*, New York: Oxford University Press, 265-281
- Adair, L. E., **Dillon, H. M.**, & Brase, G. L. (2015). I'll have who she's having: Mate copying, mate poaching, and mate retention. In Fisher, M. (Ed.), *Oxford Handbook of Women and Competition*, New York: Oxford University Press, 319-336
- Strouts, P.H., **Dillon, H.M.**, & Brase, G.L. (2017) Personality and evolutionary strategies: The relationships between HEXACO traits, mate value, life history strategy, and sociosexuality. *Personality and Individual Differences*, 115, 128-132.
- Dillon, H. M.**, Adair, L. E., & Brase, G. L. (2015). A threatening exchange: Gender and life history strategy predict perceptions and reasoning about sexual harassment. *Personality and Individual Differences*, 72, 195-199.
- Dillon, H. M.**, Adair, L. E., Geher, G., Wang, Z., & Strouts, P. H. (2016). Playing smart: The mating game and mating intelligence. *Current Psychology*, 1-11.

- Dillon, H. M.,** Adair, L. E., Wang, Z., & Johnson, Z. (2013). Slow and steady wins the race: Life history, mate value, and mate settling. *Personality and Individual Differences, 55*(5), 612-618.

- Geher, G., Crosier, B., **Dillon, H. M.,** & Chang, R. S. (2010). Evolutionary psychology's place in evolutionary studies: A tale of promise and challenge, *Evolution: Education and Outreach, 4*(1), 11-16.

Book Reviews

- Adair, L. E., & **Dillon, H. M.** (2013). A ladder of lies: The adaptive advantages of deception. [Book review of Folly of Fools by Robert Trivers]. *Evolution: Education and Outreach, 6*(1), 31.
- Carmen, R. A., Guitar, A. E., & **Dillon, H. M.** (2012). From accidental ape to walking on the moon: A new theory of human uniqueness. [Book review of Death from a Distance and the Birth of a Humane Universe by Paul Bingham and Joann Souza]. *Journal of Social, Cultural, and Evolutionary Psychology, 6*(1), 132-136.
- Dillon, H. M.** (2011). Everything you always wanted to know (but were afraid to ask) about evolution. [Book review of Am I a monkey? By Francisco Ayala]. *Evolution, Education and Outreach, 4*(4), 706-707.
- Dillon, H. M.,** & Carmen, R. A. (2011). Struggling with our own hypocrisy: Modularity of the human brain. [Book review of Why Everyone (Else) is a Hypocrite: Evolution and the Modular Mind by Robert Kurzban]. *Journal of Social, Evolutionary, and Cultural Psychology, 5*(3), 208-211.
- Carmen, R., **Moss Dillon, H.,** & Geher, G. (2010). History, biology, and politics neatly intertwined: Lee Dugatkin's newest work as an exemplar of an EvoS education. [Book review of Mr. Jefferson and the Giant Moose by Lee Alan Dugatkin]. *EvoS Journal: The Journal of the Evolutionary Studies Consortium, 2*(2), 67-71.
- Dillon, H. M.,** Carmen, R., & Geher, G. (2010). The creatures of flame: Richard Wrangham's Catching Fire. [Book review of Catching Fire: How cooking made us human by Richard Wrangham]. *Evolution: Education and Outreach, 4*(1), 173-174.
- Carmen, R., **Dillon, H. M.,** & Geher, G. (2010). Nerveless spider genitalia and other evolutionary wonders: The evolution of primary sexual characters in animals. [The evolution of primary sexual characters in animals by Janet Leonard and Alex Córdoba-Aguilar (eds.)]. *Evolution: Education and Outreach, 4*(1), 168-170.

Teaching Experience

Instructor

Psychology of Perception	SUNY New Paltz
Research Methods in Psychology	
Psychology of Learning	
Seminar in Psychology	
Introduction to Psychology	Marist College
History and Modern Systems of Psychology	SUNY Plattsburgh

Cognitive Psychology	
Biopsychology	Dominican College
Criminal Psychology	
Introduction to Psychology	
Introduction to Psychology	Kansas State University

Graduate Teaching Assistant

Research Methods Lab (Instructor)	Kansas State University
Psychology of Aging	Kansas State University
Experimental Methods in Psychology	Kansas State University
Evolutionary Psychology	Kansas State University
Clinical Concepts	Kansas State University
Abnormal Psychology	Kansas State University
Psychology Freshman Seminar	Kansas State University
Cognitive Psychology	Kansas State University
Evolutionary Studies Seminar	SUNY New Paltz
Introduction to Psychology	SUNY New Paltz

Undergraduate Teaching Assistant

History & Modern Systems of Psychology	SUNY Plattsburgh
Abnormal Psychology	SUNY Plattsburgh
Evolutionary Psychology	SUNY Plattsburgh

Conference Presentations

Invited Talks

- Dillon, H.M.** (2015). *Attentional Resources Required for Processing Operational Sex Ratio Information*. Oral presentation at the 2015 Evolutionary Psychology Independent Conference (EPIC), New Paltz, NY.
- Dillon, H.M.** (2016). *Teaching Evolutionary Psychology in Evolution-Hostile Environments*. Oral presentation at the 2016 Evolutionary Psychology Independent Conference (EPIC), New Paltz, NY.

Oral Presentations

- Dillon, H. M.,** Brandner, J. M., Brase, G. L., Adair, L. E., & Robertson, L. (2017) *Automatic frequency tracking: Not just for lexical tasks*. Oral Presentation at the 2017 meeting of the NorthEastern Evolutionary Psychology Society, Binghamton, NY.
- Dillon, H. M.,** Adair, L. E., & Brase, G. L. (2014). *Life History Strategy and Perceptions of Sexual Harassment*. Oral Presentation at the 2014 meeting of the NorthEastern Evolutionary Psychology Society, New Paltz, NY.
- Adair, L. E., **Dillon, H. M.,** & Brase, G. L. (2014). *Catching the fever: sex differences (and similarities) in fertility desires and plans*. Oral Presentation at the 2014 meeting of the NorthEastern Evolutionary Psychology Society, New Paltz, NY.
- Dillon, H. M.,** Geher, G., & Tooke, W. S. (2011). *Intracouple Mate Value Discrepancies*. Oral presentation at 2011 meeting of the NorthEastern Evolutionary Psychology Society. Binghamton, NY.

Carmen, R., Crosier, B., **Dillon, H. M.**, Giordano, N., Peterson, A., Waldo, J., & Geher, G. (2010). *Interdisciplinary Evolutionary Studies at SUNY New Paltz – Bridges between the Islands of the Ivory Archipelago*. Talk presented at the 2010 conference of the International Society of Human Ethology, Madison, WI.

Poster Presentations

Dillon, H.M., Brase, G.L., & Loschky, L. (2015). *The Blink of an Eye: Extracting Sex Ratio Information from briefly presented sets of male and female faces*. Presented at the 2015 conference of the Psychonomics Society, Chicago, IL.

Dillon, H. M. (2013). *An Evolutionary Analysis of Partner Perceptions within Mateships: the Beauty and the Beast Effect, the Role of Trait Factors, and the Nature of Mate Settling*. Presented at the 2013 conference of the Human Behavior and Evolution Society, Miami, FL.

Dillon, H. M. (2013). *An Evolutionary Analysis of Partner Perceptions within Mateships: the Beauty and the Beast Effect, the Role of Trait Factors, and the Nature of Mate Settling*. Presented at the 2013 conference of Society of Personality and Social Psychology, New Orleans, LA.

Dillon, H. M., & Geher, G. (2010). *Variables Contributing to Mate Settling*. Presented at the 2010 conference of NorthEastern Evolutionary Psychology Society, New Paltz, NY.

Awards and Grants

Kansas State University

2014 – Nominated for GTA of the Year, Golden Key International Honor Society

2013-2014 - Department of Psychological Sciences Travel Grant

2013-2014 - Graduate Student Council Travel Grant

2012 - Harry Helson Memorial Scholarship in Experimental Psychology

SUNY New Paltz

2010 - NSF-funded Conference Travel Grant, SUNY New Paltz, \$700

Professional Service

Editor

2016-Present – Section Editor for forthcoming Encyclopedia of Evolutionary Psychology (Springer)

2012 – Editing Consultant for Evolution and Human Sexual Behavior by Peter Gray and Justin Garcia

Related Professional Experience/Teaching Development

- Certificate for Graduate Teaching Assistant Recognition of Achievement in Professional Development. The Teaching and Learning Center of Kansas State University
- Supervision of Summer Undergraduate Research Opportunity Program (SUROP) student, 2013, together with Brase, Adair. Student: Jordann Brandner

Consulting/Statistics

2017-2018	Statistical Consultant	Beauty and Joy of Computing
2017-2018	Statistical Consultant	NCWIT
2016-2017	Biostatistician/Researcher	Bay Area Lyme Research Grant
2016	Statistical Consultant	Dr. Richard Horowitz
2015	Statistical Consultant	Oklahoma State University Marketing Research
2013	Statistical Consultant	Tutor.com
